

Banner Cause

2024

HIBBS MINISTRY CENTER

Each year General Baptist Women's Ministries chooses a mission emphasis as the Banner Cause for the year.

We are proud to announce the Banner Cause for 2024 is the Hibbs Ministry Center in Juarez, Mexico.

For several years Pedro and Elida Quezada, pastors of the Aqua Viva Church (Living Water) in Juarez, Mexico, have envisioned a ministry center for the people of Juarez.

This past year God provided the necessary funds and the property adjacent to the church was purchased. The Hibbs Ministry Center is named after Johnny and Teresa Hibbs to commemorate their pioneering work on behalf of General Baptists while serving as missionaries in Mexico.

The Hibbs Ministry Center will have many uses as the Quezadas minister to the people of Juarez.

All funds generated during the year will go toward the construction of this new facility. While funding is needed there will also be opportunities to actively participate in the construction of the ministry center as part of a Mission One team.

All monies received from the ABC, Summit, Inside Out, World Day of Prayer offerings etc. along with your individual support will be used for this project.

Send all contributions to:
